## AccruePartners' Sean Devin Promoted to Vice President of Technology and Delivery

**Charlotte, North Carolina; September, 2015** – AccruePartners, the preeminent Staffing and Executive Search Firm headquartered in Charlotte, NC, is announcing the promotion of Sean Devin to Vice President of Technology and Delivery.

Sean Devin attended Queens University of Charlotte on a golf scholarship and graduated with a Bachelor's Degree in Business Administration in 2008. After several years working in the golf industry, Sean joined the AccruePartners team as Executive Recruiter and Staffing Manager of the IT Division. After exhibiting strong leadership skills and commitment, he was promoted to Division Director of Financial Services in 2013.

Sean demonstrates diverse capabilities in the staffing and search industry – recruiting, sales and client development, delivery and technical skill set understandings – across multiple lines of business. Under Sean's leadership the National Recruiting Center grew into 34 states in which the client base has a high concentration of Information Technology. This promotion reflects the substantial contribution that Devin has made to the company and its clients.

"AccruePartners' significant growth has propelled us into new verticals and because of this, we have deployed our best internal talent to support our client's demands. Sean Devin has been a trusted asset and instrumental in driving our strategy and delivering on successful execution," states Patty Comer, Co-Founder and Principal. "His repeatable success has proven that he is capable of taking on the added responsibilities of driving the performance of our Technology Divisions both in Applications and Infrastructure."

Sean is also graduate of AccruePartners' Division Director Leadership Program and holds has successfully completed the necessary coursework and exams to earn his Certified Staffing Professional and Technical Staffing Professional designations from the American Staffing Association.

"I am very excited for the opportunity to return to the ever-changing landscape of the Technology industry," states Sean Devin. "The Carolinas have some of the most innovative companies in the U.S. allowing us the opportunity to recruit top talent to our backyard every day. It is a fun, challenging and rewarding experience and I look forward to contributing to the future growth and continued success of AccruePartners," says Sean Devin.
