AccruePartners Makes Staffing Industry Analysts 2015 List of Diversity Staffing Firms

Charlotte, North Carolina; September, 2015 – AccruePartners, the preeminent Staffing and Executive Search Firm headquartered in Charlotte, NC, has been named to the Staffing Industry Analysts list of Diversity Staffing Firms. This year’s list includes a total of 157 firms that represent the following categories: Women-owned (97 firms), minority-owned (64 firms), HUBZone (1 firm), and veteran-owned businesses (20 firms).

Companies were sorted according to their 2014 U.S. staffing revenue size: firms with more than \$100 million in revenue; firms between \$10 million and \$100 million in revenue; and firms with less than \$10 million in revenue. As a certified woman-owned business, AccruePartners placed on the list of 73 companies in excess of ten million dollars in annual revenue. The company

was the first of 17 companies on the women-owned staffing firms list to also be recognized on Staffing Industry Analyst’s Fastest-Growing U.S. Staffing Firms list published in August.

“We are honored to be featured among the fastest growing diverse staffing firms in the country by Staffing Industry Analysts,” states Amy Pack, Principal Partner of AccruePartners. “As a women-owned business we value the diversity in the U.S. workforce and continue to seek out opportunities to diversify our business with the expansion of our National Recruiting Center and the expansion of services in Statement of Work (SOW), Recruitment Process Outsourcing (RPO) and HR Advisory services. These efforts allow us to strategically partner and meet a broader scope of requirements for our clients, while attracting a more diverse talent pool. Our methodology, known as the AccruePartners Business Systems™, continues to deliver unparalleled success for recruitment and client delivery.”
