AccruePartners Welcomes Rick Fike as Division Director of HR

Charlotte, North Carolina; July, 2015 – AccruePartners, a professional Staffing and Executive Search Firm headquartered in Charlotte, NC, is pleased to announce the recent addition of Rick Fike as Division Director of Human Resources.

Rick's last three years were spent as a multi-site HR Manager for a talent-focused Global Industrial Manufacturer. Over that time he built a strong partnership with AccruePartners as a frequent client.

When Rick found himself longing to move into a more nimble and innovative environment, AccruePartners was the natural choice. As a results-driven professional with a passion for identifying top talent, he is looking forward to contributing to AccruePartners' continued growth and success.

Rick graduated from Baldwin-Wallace College with a Bachelor of Arts in Human Resource Management and Entrepreneurship, and brings 9+ years of HR experience with global, market-leading organizations to AccruePartners.

"As the preeminent Staffing and Executive Search Firm with a practice dedicated to the HR vertical, we are continuously looking to elevate our presence on a national scale – leveraging our 19-point proprietary process every step of the way" states Patty Comer, Principal Partner of AccruePartners. "Rick brings a fresh perspective to our HR division and the breadth of his knowledge broadens our bench depth and allows us to better meet the demands of our clients."
